RESPONSIBLE LUXURY LIFESTYLE

Elite Traveler, established in 2001, stands as the eminent beacon guiding ultra-high-net-worth (UHNW) individuals through the opulent tapestry of global luxury living. In its two-decade journey, Elite Traveler has remained unrivaled as the foremost curator of lavish experiences. However, in 2021, a transformative shift marked the brand’s 20th Anniversary - a commitment to a world swiftly evolving, by championing sustainable, ethical, and environmentally conscious luxury.

Each meticulously crafted issue of Elite Traveler is a window into the realm of responsible opulence. Encompassing a spectrum as wide as the horizons, the content encapsulates every facet of this refined lifestyle - from travel that treads lightly upon the earth, to fashion that wears its conscience, from jewelry that sparkles with a purpose, to watches that measure not only time but also impact. With a discerning eye, it delves into the realms of spirits that echo sustainable traditions, cars that epitomize elegance with a reduced carbon footprint, jets and yachts that glide gracefully through eco-friendly waters, and real estate that embraces the principles of sustainability.

A key aspect setting Elite Traveler apart is its unparalleled distribution. It is not just a publication; it is a journey companion aboard private jets and Fixed Base Operators (FBOs) across the globe. This distinctive reach provides advertisers with a golden opportunity to connect with the world’s wealthiest consumers - a privilege not replicated elsewhere.

EliteTraveler.com radiates as a digital torchbearer of ethical luxury. It is not just a platform of insight and perspectives; it is a conduit for accessing the very essence of extravagance - a portal where dreams materialize into tangible experiences, and desires metamorphose into sustainable acquisitions.

In the grand tapestry of luxury, Elite Traveler weaves a narrative of conscious indulgence. It beckons the elite not just to revel in opulence, but to embrace it responsibly, making a mark that outshines time itself.
Elite Traveler’s editorial, circulation, distribution methods, and demographics from its proprietary readership study were reviewed and compared to potential host publications reported in the IPSOS affluent survey. Elite Traveler’s reader-per-copy (RPC) is based on readership data from its proprietary study and from measured inflight magazines. The RPC was applied to Elite Traveler’s print circulation which together with its digital monthly audience results in a projected total brand readership of 840,000 affluent adults.
